VIETNAM *VISA EXEMPTION*

- Citizens from certain countries can enter Vietnam without a visa for a limited period (from 14 to 45 days, depending on nationality).
- Eligible travelers only need a valid passport (minimum 6 months validity) and must exit Vietnam before the exemption period ends.
- Common exempted countries include ASEAN nations, Japan, South Korea, Russia, several European countries (e.g., Germany, France, Italy, Spain, UK, etc.), and more.
- Important: Extensions for visa exemption are not always guaranteed, so travelers needing a longer stay should apply for an E-Visa or Visa on Arrival.
